## Serbian consortium wins Corridor 10 bid

Tue, 13 Apr 2010

A consortium of Serbian companies will construct 110 km of the left track of the Corridor 10 highway section from Horgoš to Novi Sad.

The Ministry for Infrastructure stated late on Monday the group of companies, gathered around Preduzeće za Puteve (PZP) Beograd, which includes Putevi Užice, Planum and Borovica, made the best offer in the resumed tender procedure.

They offered to finish the works within 270 days at the price of about RSD 10bn, which may be paid within 30 months.

Hidroelektrika from Zagreb, Croatia, and Vojput from Subotica had submitted the second best offer, followed by Slovenia's Primorje.

Under the contract, the construction was supposed to start in March, and according to the tender conditions it will take maximum 22 months.
